

## COMPACT PORTABLE SCANNER

The DR-2580C is surprisingly compact and portable, so you can put it on your desktop or take it on the road. This versatile scanner is loaded with advanced scanning technologies and easily handles a wide range of document types, including plastic cards. The DR-2580C is not only one of the smallest, but also one of the most easy-to-use scanners in its class. Add the optional, user-installable flatbed scanner and scan books or fragile documents with simplicity.
