

# LASER CLASS® 830i/810

Go beyond fax with the LASER CLASS 830i and LASER CLASS 810 multi-function fax models.

The LASER CLASS 800 Series supports a rich fax feature-set, with high-speed Super G3 capabilities, versatile dialing capabilities, fast scanning speeds, and even automatic scanning of two-sided originals. To streamline communications, the Job Forwarding and Archiving capabilities help to automate the storage of incoming and outgoing data.

Beyond fax, these devices also offer numerous functions that help achieve seamless workflows and enhanced productivity. Duplicate one- or two-sided originals at speeds of up to 23 pages per minute (letter) with the convenient copying feature. Consolidate existing single-function fax and printer devices into one with the LASER CLASS 800 Series network printing capabilities.\*

For the ultimate in document distribution, the LASER CLASS 830i supports Color Send capabilities that allow you to easily send documents from the device to e-mail, I-fax, or file server destinations in a choice of file formats.

Let the LASER CLASS 800 Series change the way you communicate.
